

PLEASE RETURN TO
TREASURER

PARENT OR GUARDIAN OF JUNIOR MEMBER

I have been informed about the Lleyn Model aero Club's policy on child protection and welfare which is based on advice provided by the British Model Flying Association.

I know that the information is available for me to read in the Club caravan.

I understand that I am responsible for the behaviour of my child at the flying sites and must accompany them whilst they are under 13 years of age.

I understand that the level of supervision of older Junior members will be commensurate with their age, maturity, capabilities and levels of experience.

If I have any complaints or concerns I shall inform the Club Chairman or Secretary.

I agree with my child's application for membership.

Age of child at date of application _____
